17 BENJAMIN PUI-YUN CHUI,  
18 Appellee.

**19 ORDER EXTENDING TIME TO  
20 FILE OPENING BRIEF**

21 As stated in the notice of briefing following the docketing of the record on appeal,  
22 appellants' brief was due on **DECEMBER 16** (Dkt. No. 4). Appellants did not file a brief.  
23 Appellants have filed an *ex parte* motion to extend the deadline to file their opening brief to  
24 **DECEMBER 31**, citing email errors and confusion regarding the date on which the record on  
25 appeal was docketed. Counsel for appellants contacted counsel for appellee regarding this brief  
26 regarding this request, but counsel for appellee responded that it was unlikely their client would  
consent to an extension. Appellants' request is hereby **GRANTED**. As detailed in the notice of  
briefing, appellee's brief shall be due **TWENTY DAYS** after service of appellants' brief, any reply  
shall be due **TEN DAYS** after service of appellees' brief.

27 **IT IS SO ORDERED.**

28 Dated: December 22, 2015.
